**2010 Health Care Reform Act: Critical
Tax and Insurance Ramifications**

Dramatic and significant tax and health insurance changes are coming to America! The nearly \$1 trillion, 10 year cost of the Patient Protection and Affordable Care and Reconciliation Acts of 2010 will change the way health insurance is delivered and how we will pay for it. Be informed of these changes and get tips for strategies to best deal with them.

Major Topics:

- Explore tax ramifications associated with implementation of the Act
- Grasp important provisions of the Patient Protection and Affordable Care Act of 2010 (HR 3590) and Reconciliation Act of 2010 (HR 4872) relative to expanded insurance coverage, new exclusion restrictions, insurance and health care industry controls, and consumer benefits
- Understand how paying for health care will radically change
- Identify important planning opportunities associated with the Act for businesses and individuals
- Review provisions taking effect in 2011 through 2014 and later years
- Discuss fees/taxes/penalties relating to new mandatory health insurance
